Please support the above sponsors who are supporting our school
Welcome to the fifth week of what is continuing to be a term full of extremely exciting and vastly differing learning opportunities for all students at Parkview Public School.

I would like to start this week by thanking the large number of interested parents who attended last Monday’s P&C Meeting. Plenty of thoughtful discussion was engaged in on ways to best support the children of our community, and it was great to see some new faces in attendance! Next month’s meeting is the Annual General Meeting, so it would again be good to see lots of interested parents in attendance.

Last week I had the chance to participate in the Riverina Principal’s Conference in Albury. Throughout a busy a couple of days that touched on a number of the reforms and challenges we face in the changing environment of public education, I had the good fortune to confirm a new initiative at Parkview PS that will be established in terms 3 & 4 this year. Parkview (along with some other public schools in the Leeton and Griffith areas) will benefit from a new partnership with Charles Sturt University.

Final year Speech students will spend significant time in our school and work closely with teachers and support staff to develop individual and small group speech support for a range of children. This is great news for our community, and it is hoped we may be able to extend to other areas including Occupational Therapists and Dieticians in 2014. The program (known as SpiCE) was trialled in a small number of Griffith schools with great success in 2012 and it is tremendous to have been included in the program for this year.

Last week I also had the pleasure of taking our school cricket team to Narrandera to participate in the LNPSSA T20 Cricket Gala Day. A more detailed report appears in ‘Talking Sport’, but I do wish to commend all of the boys and girls on their sportsmanship and dedication both on the day and during a significant lead up period. Well done kids!

This week will see a number of staff members engaging in a range of Professional Learning opportunities. We commence our primary staff numeracy program ‘Taking Off With Numeracy’ (TOWN) this week with two teachers in Sydney for professional learning, while other significant programs linked to the continuation of L3, the new Australian Curriculum and Anaphylaxis Awareness will also be undertaken by staff. These programs continue to represent a significant investment in the on-going learning of our children and the development of our staff.

There are a number of events taking place over the next few days. Please add them to your diaries as you plan the coming weeks.

**Kindergarten Best Start Conferences**

This week parents of Kindergarten parents are invited to engage in meetings with class teachers to discuss the learning platform established from the recently completed Best Start Assessments. Last week parents and carers would have received a feedback form outlining what skills your child displayed during the assessment, and how you could support them to further improve their conceptual understanding.

I strongly encourage parents to take the time to have the discussion with parents about your child’s development. Consistent and meaningful communication forms a vital part of your child’s on-going learning.

**LNPSSA Swimming Carnival**

Best wishes to our talented students who will contest the LNPSSA Swimming Carnival at the Leeton Memorial Pool tomorrow (Tuesday). Results from the carnival will be published on the website and also next week in the newsletter.

**Parkview Public School Term 1 Open Day**

Parkview PS will host its Term 1 Open Day next Tuesday, 5th March. Now that children have settled well into routines, the day represents a terrific opportunity for parents and carers to enter classrooms and engage in interactive learning activities with children. It is also a great opportunity to have a look at your kids’ books and check out the environment that your children learn within every day.

Open Day will commence at 12.15pm for classes in Years 3-6, while all classes K-2 will welcome parents into rooms from 12.45pm. Following the Open Day, we invite parents and carers to stay at school to share lunch with the kids.

**A special canteen lunch order will be sent home today for people to place their orders on. This order is due back at school by Friday, 1st March. Children love it when their parents stay and enjoy lunch with them and it is also a great way to support our school canteen which offers delicious, healthy and very affordable lunches!**
Uniform Requirements
A reminder that pre-orders for winter uniforms was due to be submitted by Friday, February 22nd. We thank the families who have already completed their pre-order form. These orders will be submitted immediately. Those yet to order but wishing to be included in the first dispatch are encouraged to order no later than this Thursday, 28th February. This will be the absolute final cut off of orders for families wishing to be guaranteed of receiving winter uniforms prior to the commencement of Term 2.

As usual the Uniform Shop will carry some stock, but this will be on a first in, first served basis. If you are having trouble meeting the Feb 28 deadline, please contact the school to organise lay-by arrangements or a payment scheme.

A reminder that the Uniform Shop Hours have changed from this week, providing a morning timeslot for parents who wish to utilise the service. The new hours are:

**Thursdays 9am-10am**
**Fridays 2.15pm-3.15pm**

The change in times reflect a number of community requests for a morning timeslot to cater for parents who drop their children to school and wish to visit the Uniform Shop.

LNPSSA Basketball Championships
Best wishes to our Boys and Girls Basketball Teams who will contest the LNPSSA Basketball Championships at Narrandera Stadium this week. We look forward to seeing how the girls and boys perform under the guidance of Miss Marks and Ms Blakeman. Results will appear on the website and next week in Talking Sport.

3 on 3 Vibe Basketball and Hip Hop Dance and Cultural Day
Next Wednesday, the 6th March, 50 Parkview students will join children from all over the local area in one of the biggest sporting, cultural and health expos ever to hit the MIA. 3 on 3 Vibe is an Indigenous inspired event that attracts outstanding role models and provides children with the opportunity to be active and interact with peers from other schools in a range of contexts on one day.

Permission notes for the children who are attending this day will be distributed early in the week. There is no cost for this event.

Allergies
A number of children enrolled at our school have severe allergies. Some have anaphylactic reactions to nuts and nut products and in other cases fish products.

With this in mind we ask that the amount of peanut products provided for lunch or recess foods be kept to a minimum. Examples of items we would prefer not see at school include, but is not restricted to Nutella, Snickers Bars, Peanut Butter sandwiches or cakes and slices made with peanuts or peanut products. We thank you for your understanding in this matter.

Our preference is for all children to bring nut free items to school. If this is a challenge for families we ask you to discuss this with the school as a matter of urgency. The safety of all children in our school is at the centre of this request.

Class teachers have discussed the need to be wary about the health of students in our school. To assist us with this, please ensure you chat to your child about not sharing or swapping food at school.

Parkview Public School Website
Don’t forget to log on to www.parkview-p.schools.nsw.edu.au for all of the latest news, pictures and calendar updates for your school and links to educational information that is relevant to your child!

Uniform Shop
The Uniform Shop is open Thursdays 9.00am – 10.00am and Fridays 2.15pm-3.15pm. Community members are welcome to make purchases, laybys or browse at any time during these hours. **If you cannot make it to the Uniform Shop during these times it is vital that you ring the school to make an appointment** with coordinators Niomi McKellar or Rebecca Hogan. Please ring the school on 69532600 and you will be transferred to the Canteen/Uniform Shop.

Golden Apple Docket Fundraiser
Please keep your Golden Apple shopping dockets and place them in the container at the front office. This is a great way to raise funds for our students. Parkview Public School receives 5c from every ten dollars collected.

If you have any questions or concerns, do not hesitate to contact me.

Have a great week!
Travis Irvin
Principal
This Friday (March 1st 2013), Parkview students will be participating in Schools Clean up Australia Day! Since 1992, school communities across Australia have demonstrated their support for caring for the environment through participating in School Clean-up Day.

Parkview has traditionally used this opportunity to tidy up our school grounds (which are generally already well presented!) and give hidden areas a good clean.

To assist, it would be appreciated if your child could bring to school a plastic shopping bag and (optional) a pair of disposable gloves. Each class group will be designated an area to clean with all rubbish being disposed of. All children will be instructed to observe normal hygiene procedures after the clean-up. Thank you to the PPS SRC for coordinating this event!

Discovery Learning

Last week saw Stage 1 students begin the much anticipated Discovery Learning. Students have a variety of activities to explore, enjoying cooperating with their friends to discuss and alter their learning paths. The "Fizz Tray" and "Shell Spy" stations were very busy, with everyone wanting a close up look at a variety of shells and to find out what happened when the 'magic' formula went into a tray filled with bi-carb soda! We look forward to continuing our explorations. Early Stage 1 will begin some similar learning experiences in the next two weeks.
At last Friday’s K-2 Assembly, the following students received recognition for their efforts at school.

**KB – Miss Boardman**
- Luca Pitt - clever work with numbers
- Shaniqua Pawa - working well with her ‘Reading Buddy’
- Taylah Axtill - beautiful writing

Leeton PS won by 21 runs

Parkview PS has produced to excellent performances in the last Friday’s LNPSSA T20 Cricket Knockout, losing an extremely close game against Leeton PS before a resounding victory over host school Narrandra PS.

The first game was a tremendous game of school cricket, both teams exhibiting fine skills in all elements of the game. Leeton PS won the toss and elected to bat, finding themselves in early trouble at 2/13 following some tight bowling from Mathew Axtill and wicket taking deliveries from Reece Keech and Rhett McGregor. A solid partnership of 52 for the third wicket from Leeton PS ensured a competitive total was amassed, with Braxton Wallace (33no) and Harrison Rudd (13no) making valuable contributions in a total of 3/88 (20 overs).
For Parkview, Rhett McGregor (2/19) and Reece Keech (1/9) did the damage with the ball while Mathew Axtill (0/15) and Caleb Watson (0/4) bowled economically.

In the chase, Parkview lost early wickets and slumped to 3/20, however a rear guard action from Koby Watts (9) and Jaykob Williams (10) saw the pair add 31 for the 4th wicket, and another useful partnership between Caleb Watson and Watts took Parkview to 4/65 and needing just 23 from the final 5 overs.

From that point the Leeton PS bowlers proved too good, with the combination of Shafi and Rudd producing 4 excellent overs to see off a brave Parkview challenge, Leeton PS winning by 21 runs. Rhett McGregor (11) top scored for Parkview in an even team performance, while Dylan McKellar and Mathew Axtill also played some delightful strokes that went un-rewarded thanks to some brilliant LPS fielding.

Parkview won by 61 runs
The second game of the day saw Parkview register its first win in a Brian Taber Shield match since 2001 with a fantastic 61 run victory over hosts Narrandera.
Winning the toss and batting, Parkview slumped to 2/5 after losing skipper Mathew Axtill and Matthew Lord to good bowling from the Narrandera attack. Rhett MacGregor (26) and Tess Staines (15) then set about salvaging the innings, putting together a partnership of 60 at almost a run a ball to put Parkview in a very strong position.

Good batting at the end of the innings from Corey Axtill and Jack McClure who both retired on 5 to give team mates an opportunity to bat, as well as unbeaten cameos from Jaykob Williams (5no) and Caleb Watson (5no) lifted the total to a formidable 5/105 after 20 overs.

In reply, Narrandera were always in trouble thanks to the economical bowling of the Parkview attack. Reece Keech opened the innings with to excellent maiden overs while Koby Watts secured the first break through, caught behind by keeper Watson.

Continued tight bowling from Corey Axtill, Dylan McKellar and Matthew Lord laid the foundation for a final onslaught from Jack Quinlivan (1/8), Mathew Axtill (1/2) and Rhett MacGregor (1/5) to tidy up the Narrandera Innings and secure the victory. Fielding was also a highlight for Parkview, with Jaykob Williams’ direct hit run out a feature.

All players should be congratulated for their sportsmanship and application not only on the day but throughout the training sessions in the build-up. We have some very talented cricketers, many of whom should try their hand at Saturday Morning cricket when the opportunity presents itself next summer. Thanks is extended to all of the parents who made the effort to travel to Narrandera and support our team in the baggy green, with special thanks to Mr Adrian Axtill who gave of so much of his time to support the children not only at lunch times at school but during after school training session as well.

**P & C REPORT**

The P & C met for our first meeting of the year last week, and it was fantastic to see so many new faces. We always welcome anyone wanting to contribute to our group. If you are a parent, carer or interested community member you are welcome come along to our meetings. The P & C funds a diverse range of things for our school which directly benefit our kids, so if you are interested please show your support.

Funded from the Smurf Disco last year, we have purchased several books on the subject of Autism and Asperger’s Syndrome which are to be made available to the Parkview school community. These can be a great source of information and support for families who have a child who is diagnosed or seeking diagnosis. They will be made available through the borrowing system at our library. If parents are interested speak to the librarian to see the books before borrowing.

The P & C are holding a Working Bee on Sunday 10th March starting at 8am. We appreciate anyone who may be able to assist, even if only for a few hours. Bring a mower or whipper snipper if able too.

Our next meeting will be held on the 25th March at 7pm in the staffroom.

Tuesday 19th March 2013.

If you would like to make a group booking please contact Elizabeth Mudford at leetonplayschoolconcert@gmail.com or on 0416 014 723. Group bookings receive 2 free tickets for every 20 tickets purchased.

We would also appreciate if you could include information about the concert in your newsletter.

Show Info – Humpty’s Showtime

Humpty is putting on a surprise show! Join him as gathers together the Play School Toys to help with the big spectacular. There are starring roles for Jemima, Big Ted, Little Ted and Meeka and guest appearances from other Play School favourites along the way. Filled with fun songs to sing and dance along with, this 40 minute show will delight Play School fans.

These popular Play School live shows are specially designed to delight pre-schoolers and parents alike. The concert features songs, games and stories, presented by two Play School presenters, along with the real stars of the show, the toys.

As with the television program, everything in the concerts is carefully paced especially for children. There are songs to move to, as well as quiet times to just watch and listen. The familiarity of the material and the presenters combined, totally engage the young audience and there is lots of audience participation.
