Welcome to Week 6 of the school term. Last week was a huge week at school with students attending a range of sporting and musical events and the establishment of a range of environmental prints around the school to stimulate and engage our students even further in the learning process.

Over the weekend we have watched with excitement as our playground has come to life. Lex from Art by LJ has been here, creating a series of vibrant games and designs for us to play, explore and learn with. The games have added much anticipated environmental print for students to engage with. We encourage children to use these both informally during play time and also formally as part of structured class lessons. While literacy and numeracy are the focus of these works, there are other fun and interactive prints for everyone to engage in at our school. A big thank you to Mark McMillan and Merilyn Blakeman who facilitated this project on extremely short notice when the opportunity presented itself.

Students in Year 5 were also excited this week to see their new classroom arrive at the school. Last week’s wet weather caused some interruptions, we are hopeful that with the oval drying out we should be able complete the establishment of the room by later in the week or early next week.

This Friday Parkview will host a visit from the Minister for Education and Communities Adrian Piccoli and the Director General of Education and Communities Michelle Brungines as part of a Principal’s Forum looking at reforms in education. This is a great opportunity for our school to showcase everything that is great about our community! We welcome these two educational leaders to our community.

There are a number of events taking place over the next few days. Please add them to your diaries as you plan the coming weeks.

**Parkview Public School Term 1 Open Day**

Parkview PS will host its Term 1 Open Day tomorrow, Tuesday, 5th March. Now that children have settled well into routines, the day represents a terrific opportunity for parents and carers to enter classrooms and engage in interactive learning activities with children. It is also a great opportunity to have a look at your kids’ books and check out the environment that your children learn within every day.

Open Day will commence at 12.15pm for classes in Years 3-6, while all classes K-2 will welcome parents into rooms from 12.45pm. Following the Open Day, we invite parents and carers to stay at school to share lunch with the kids.

Those families who pre-ordered their lunches will be able to collect them from the canteen at 1.25pm.

**Role models line up for Leeton Vibe 3on3**

50 Parkview Public School students along with four staff members will join a large number of other Leetonians in attending the 3 on 3 Vibe Basketball and Hip Hop Challenge at the Leeton Stadium this Wednesday.

Children will engage in a basketball gala day and will be entertained and inspired by some outstanding Indigenous Australian Role Models. Permission notes were sent home for this day which should have been returned today. Tomorrow will be the absolute final day permission notes can be returned. All children attending the day should be at school no later than 8.40am.

Well-known comedian and artist Kevin Kropinyeri is just one of the inspiring Indigenous role models at the Vibe 3on3 when it comes to Leeton on Wednesday, March 6.

The event encourages sportsmanship, teaches new skills and builds self-esteem as well as promoting reconciliation at a grassroots level and will also feature a host of Aboriginal and Torres Strait Island role models to inspire students, including actors, dancers, comedians and sports stars.

Hosted by actor Luke Carroll, the action-packed event features a 3on3 basketball tournament, rapping and break dancing lessons, art workshops with comedian and artist Kevin Kropinyeri, a dance competition, led by deadly dancers Darren Compton and Nikki Ashby. There is also a health expo, all accompanied by a backing track of the latest RnB, hip hop and Indigenous music – featuring DJ Jimblah, and rapper Corey Webster aka Nooky.

Kevin Kropinyeri has been involved with the Vibe 3on3 for many years as an artist. More recently he has gained national attention as a professional comedian and his star is certainly on the rise. He performed a series of shows at this year’s International Melbourne Comedy Festival and is booked out solidly with comedy gigs. His style has been influenced by comedians such as Russell Gilbert, Karl Baron, Mick Molloy, and Sean Choolburra.
He won the national Deadly Funny Competition - the Aboriginal and Torres Strait Island component of the International Melbourne Comedy Festival. Despite his assault on mainstream comedy circuit, Kevin says he will always do community work such as his work for Vibe Australia where he goes around the country performing at the Vibe 3on3®.

“It is about building bridges rather than widening the divide. I am also passionate about being a good role model,” Kevin says.

The Vibe 3on3® will be held at the Leeton Indoor Stadium, Palm Ave, Leeton. The event will also feature an opening ceremony, a free healthy breakfast and barbecue lunch.

The Vibe 3on3® aims to promote healthy lifestyles, strengthen communities and boost self-esteem. It’s also an excellent opportunity for health services and related organisations to introduce themselves to the wider community. For more information go to www.vibe.com.au

The Vibe 3on3® would not be possible without its Principal Sponsor the Department of Health and Ageing. We also thank our sponsors the Department of Regional Australia, Local Government, Arts and Sport, Headspace and Australian Government - Close the Gap and our supporters the Jimmy Little Foundation, Koori Mail, Deadly Sounds, Deadly Vibe and vibe.com.au

**Change of Information Details**

From time to time it is necessary to review our student contact details to ensure we have the most current information possible. This assists the school in ensuring your child’s wellbeing and safety. If there have been any changes in your personal details (eg address, phone numbers, or emergency contact details) could you please complete the details below and return it to school as soon as possible.

**Uniform Shop**

A reminder that the Uniform Shop Hours have changed, providing a morning timeslot for parents who wish to utilise the service. The new hours are:

- **Thursdays** 9am-10am
- **Fridays** 2.15pm-3.15pm

Community members are welcome to make purchases, laybys or browse at any time during these hours. **If you cannot make it to the Uniform Shop during these times it is vital that you ring the school to make an appointment** with coordinator Niomi McKellar. Please ring the school on 69532600 and you will be transferred to the Canteen/Uniform Shop.

**Allergies**

A number of children enrolled at our school have severe allergies. Some have anaphylactic reactions to nuts and nut products and in other cases fish products.

With this in mind we ask that the amount of peanut products provided for lunch or recess foods be kept to a minimum. Examples of items we would prefer not see at school include, but is not restricted to **Nutella, Snickers Bars, Peanut Butter sandwiches or cakes and slices made with peanuts or peanut products**. We thank you for your understanding in this matter.

Our preference is for all children to bring nut free items to school. If this is a challenge for families we ask you to discuss this with the school as a matter of urgency. The safety of all children in our school is at the centre of this request.

Class teachers have discussed the need to be wary about the health of students in our school. To assist us with this, please ensure you chat to your child about not sharing or swapping food at school.

**Parkview Public School Website**

Don’t forget to log on to [www.parkview-p.schools.nsw.edu.au](http://www.parkview-p.schools.nsw.edu.au) for all of the latest news, pictures and calendar updates for your school and links to educational information that is relevant to your child!

**Golden Apple Docket Fundraiser**

Please keep your Golden Apple shopping dockets and place them in the container at the front office. This is a great way to raise funds for our students. Parkview Public School receives 5c from every ten dollars collected.

If you have any questions or concerns, do not hesitate to contact me.

Parkview has continued its strong recent sporting form with a second place in the overall point score section of the LNPSSA Swimming Championships hosted by Small Schools at the Leeton Memorial Pool today.

Competitors battled terrible conditions as driving rain affected the carnival for almost an hour, but undeterred, competitors from all schools displayed great resilience to produce some wonderful performances.

Parkview had ten individual place getters as well as some pleasing results in the relay events, however our swimmer of the day was Hannah Pianca, who secured the Junior Girls Age Championship, highlighted by an inspiring win in the 4x50m Individual Medley event.

Parkview’s individual results were as follows:

NSWPSSA BASKETBALL KNOCKOUT

Congratulations to both the boys and girls basketball teams! We had a fantastic day showcasing Parkview’s fine sportsmanship skills. A big thank you to Bruce and Cathy Staines, Julie Axtill and Sharon Lord for taking the time to transport our students to and from Narrandera. The girls came up against a well-drilled Narrandera Public School in their first game. Tess Staines worked hard moving the ball down the court as did Acadia Lee and Catlin Sohier in defense. Unfortunately the girls went down 18-36. The boys came out firing with Dylan McKellar using his height to Parkview’s advantage shooting baskets and a speedy Nicholas Santos intercepting passes. The boys also went down to a competitive Narrandera side 10-24. Tess Staines’ impressive performance on the day earned her selection in the LNPSSA team.
