Week 3 of the term has arrived and with it comes another dynamic week of learning at Parkview Public School. Before we look forward, it is timely to reflect on significant events of the last seven days at Parkview.

The first was the achievement of Year 2 student Tamika Rourke, who placed 6th in her heat and 18th overall in the 8 Years 100m Girls event at the NSWPSMA Athletics Carnival last week. More details of this unique experience are contained in Talking Sport.

Last week also saw four Year 6 students make the journey to Wagga Wagga to engage in a Gifted and Talented opportunity at the Riverina Environmental Education Centre. Kate Balaz, Jack McClure, Callie Godden & Bryce Pearce enjoyed a day of engaging challenges with like minded peers from across the Riverina.

The weekend saw two Parkview students, Kelsey Bandy (Year 6) and Shay Bandy (Year 3) competing at the Tumbarumba Public School Gymkhana. Both girls represented our school with pride, competing in a number of events recording some pleasing results. More details can be found in Talking Sport.

Finally, there has been an excellent response from our community relating to the Parents Feedback Survey. I would like to thank the over 70 families who provided extensive feedback on a range of topics linked to the future planning of our school community. The school hosted a competition for families who submitted surveys, with two families randomly drawn to win $100 Grocery Vouchers at local supermarkets. Congratulations to the following families who were drawn:

Hilary Wozniak (4H)
Khyla Quinn (2M)

Vouchers will be sent home to the lucky families this week.

There is plenty on this week for all students as we head towards the end of October. Please consider the following as you plan your week:

**Infants Altina Park Excursions**
There is much excitement amongst Kindergarten-Year 2 students as they prepare to enjoy their Altina Park Excursions which will be held this week (October 20-24). 2T and 2M took part in their excursion today while the remainder of the students will make the trek according to the following schedule:

**Tuesday, 21st October:** KB and 1W
**Thursday, 23rd October:** KF and 1M
**Friday, 24th October:** KD and 1/2C

Families are reminded that children are invited to wear casual clothes when participating in the visit to Altina but are also asked to wear their broad brimmed school hat.

**P&C Meeting**
The October Meeting of the Parkview P&C Association will be held this evening in the staffroom from 7pm. All interested community members are encouraged to attend.

**Eco-Deco Workshop**
Parkview PS in conjunction with Western Riverina Arts will host an Eco Deco Art Workshop this Tuesday, 21st October in the Hall. All activities scheduled for the Hall on this day will need to be re-scheduled to an alternative venue. Selected students are currently being negotiated and will be announced early this week.

The format for the day is as outlined below:
Two professional artists, Hope Kiddie and Melanie Baulch, will work with a small group of students in a day-long workshop, making artworks out of locally sourced materials, bark, wood, grass, seeds, dirt for dying (plus any other available resources).

This project is designed by Western Riverina Arts, funded by Riverina Local Land Services, and is supported by participating schools from Griffith, Leeton and Narrandera.
The workshop will be free of charge. Children will not need to bring any special materials. An exhibition of the children’s works will also be held the weekend following the workshop – all community members are invited to attend.

**Workshop Details:**
**Tuesday 21st October, Parkview Public School, Leeton**

**Exhibition Details:**
**Saturday 25th October, 11am, Roxy Theatre Artspace, Leeton**

**Enviro Champs Project Finale**
Year 5 students Portia Marks, Tateum Ingram, Jai Patten and Lucas Trounce will travel to Junee this Wednesday to join peers from schools from across the Riverina in presenting the findings of their Enviro Champs project they have been running here at Parkview Public School.

In a much needed display of practical sustainability, the students have been recycling compostable waste from classrooms and using it to aid the establishment and maintenance of a two farms here at school, the tailings from which are being used to further enhance the vegie garden in the Infants Playground. We congratulate the children on their application to such a worthwhile project.

**Grandparents Day**
Grandparents Day is celebrated on Sunday, 26th October and to celebrate, Parkview PS is hosting an Open Session for Grandparents to come to the school and enjoy on Monday, 27th October. A special morning tea will be hosted at 11.20am before a session that includes games and classroom visits is hosted from 11.45am-12.35pm.

We encourage all children to invite their Grandparents into the school to enjoy this special day. More information including a Morning Tea order form was distributed last week, with pre-orders due Friday.

**Winhangara Playgroup**
Winhangara Playgroup continues tomorrow! Winhangara Playgroup is hosted in the OOSC Building running on **Tuesday mornings from 9.15am-10.45am**. A complimentary healthy morning tea is provided for all participants. We encourage all interested families to attend.

Please note that we will be hosting three playgroup sessions off site this term in **Gossamer Park**, the first of which will be hosted next **Tuesday, 28th October from 9.15am-10.45am**. The warmer weather will allow for some extra activities and a range of fun activities for the children. We look forward to seeing lots of community members who have children 0-5 enjoying this opportunity.

**School Photos Information**
Order forms for School Photos which will be hosted on **Tuesday, 4th November** were sent home last week. The photographers, Master School Portraits (MSP), offer a range of packages for individual and group shots as well as Family Photos and special photos of school groups including captains, school leaders, band, choir, dance and sporting groups. Information regarding group photos will be distributed closer to the time. **Order forms for family (sibling) photos can be collected from the office.**

Sport and Recreation's Swim and Survive starting soon

Australian summers usually involve plenty of fun in and around the water, but no parent can forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs give wonderful results; and are great fun as well! Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW, including somewhere near you.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are $67 for school-aged children and $48 for preschoolers (prices exclude pool entry fee).

For more information or to make a booking, visit www.dsr.nsw.gov.au/swimandsurvive or phone 13 13 02

NSWPSSA Athletics Championships
Tamika Rourke (2) contested the 8 Years Girls 100m dash at last week’s NSWPSSA Athletics Championships held at the Sydney Athletic Centre. She ran in Heat 3 and recorded a time of 16.99 which placed her 6th in her heat. (Tamika’s seeding time was 16.35). Tamika’s time (although very quick) did not automatically qualify Tamika for the semi-finals. The eventual state champion recorded a time of 14.85.

Tamika has progressed to this elite level through achieving outstanding results at school, district and zone carnivals. This included breaking a Parkview PS track record and being LNPSSA Junior Girls Age Champion. This year has certainly been one to remember for Tamika! All the staff and students would like congratulate Tamika on her success! She certainly has a bright future in Athletics and school sport in general!

Tumbarumba PS Gymkhana
Parkview had two participants at yesterday’s Tumbarumba PS Gymkhana, with Kelsey Bandy and Shay Bandy both recording some outstanding results throughout the event. Both girls showed immense dedication and skill throughout the day and were fine representatives of our school. Their achievements are outlined below:

16 June 2015

WHAT IS THE FAMILY ENERGY REBATE?
The Family Energy Rebate helps to cover the cost of energy bills for NSW households with dependent children. In 2014-2015 the rebate gives:

- A $150 credit on electricity bills for eligible applicants who hold an account with an electricity retailer
- A $165 direct payment to nominated bank accounts for eligible applicants who live in a residential community (caravan or mobile home park) and receive electricity from the park operator.

AM I ELIGIBLE FOR THE REBATE?
To be eligible you MUST:

- Be a NSW resident; and
- Have been assessed by the Federal Department of Human Services (DHS) as being eligible for the Family Tax Benefit (FTB) A or B at any time during the 2013-2014 financial year, and have received an FTB payment in respect of that eligibility; and
- Be an account holder of an electricity retailer, or a long-term resident of a residential community (caravan or mobile home park), whose name appears on the electricity account for supply to her or his principal place of residence.

WHAT DO I NEED TO DO BEFORE I APPLY?
Before you apply, here’s a quick checklist. Have you:

- Lodged your tax return for 2013-14 with the Australian Taxation Office or informed the Department of Human Services (DHS) if you are not required to lodge a tax return?
- Received confirmation from DHS as to your eligibility for Family Tax Benefit A or B for 2013-2014?

HOW TO APPLY

- ONLINE – it takes just two minutes to submit an application. Processing starts immediately.
- PAPER – download a form from the website, complete and submit by email, fax or post. Use this form if you receive your electricity from the operator of the residential community where you live.
