Welcome to Week 6 of the school term. The week will be extremely busy with a huge range of experiences planned for the conceptual development of all children in our community.

Last week was a huge week in the Parkview community with a range of interactive opportunities for all educational stakeholders to engage in. Friday’s Reconciliation Week Walk and Breakfast was very well supported, with over 150 students and community members making the trek from the Post Office to the School before sharing in a delicious breakfast to start the day! We thank everyone who contributed to the event either by walking, assisting with breakfast or by participating in the flag raising ceremony.

It was also wonderful to see the large number of families who engaged in the Scholastic Book Fair hosted in the Library last week. Sharing literature is a wonderful thing and provides a tremendous link between parents and their children. Be sure to share in the new titles you have secured with your children and use them as a great chance to enjoy reading in the home!

Thanks this week is extended to everyone who contributed to the P&C’s Street Stall held in Pine Ave on Saturday Morning. Our hard working P&C Committee were extremely grateful for the contributions from the community and it also gave the P&C an opportunity to show off the car being raffled as part of the P&C’s major fundraiser for the 2014 School Year.

Last week also saw two Parkview students represent at the Riverina Touch Championships in Albury. A complete wrap of this and all of the other sports news for this week including a preview of the LNPSSA Athletics Carnival can be found in ‘Talking Sport’.

It is disappointing this week that we report that our school was again the target of vandals and thieves early on Friday morning. Sadly, the school’s administration block was broken into and despite the intruders being quickly disturbed by security after the alarm was triggered, damage was inflicted in the form of broken windows and graffiti and personal effects of staff including sentimentally significant cameras and external hard drives were stolen. If you have any information relating to these offences, please contact Leeton Police on 69531399.

The new week at Parkview brings with it more excitement as our students engage in their incredibly diverse classroom learning experiences and also have the on-going opportunities to engage in preparations for ‘Shine’, the Leeton Eisteddfod, LNPSSA Athletics and Riverina PSSA X Country as well as Round 2 of the Premier’s Debating Challenge which will be argued between Parkview Sharks and Parkview Cats in the Hall at school from 10.15am Wednesday. Interested community members are invited to join the audience for this debate.

Please consider the following as you plan your busy week:

This is perfectly normal for any school setting so if you have any questions, issues, enquiries or you want feedback on any aspect of your child’s schooling please ring to make a mutually convenient appointment time with your child’s teacher, Assistant Principal or myself.

Premier’s Reading Challenge Update—2014

Just a reminder that the NSW Premier’s Reading Challenge has begun.

K-2 class teachers will keep a log of books read to the students, which will be uploaded to their individual file at a later date.

3-6 students will be responsible for keeping their own reading log. They have all been issued with a reading log sheet.

Class teachers and Mrs Dando have book lists and many of our titles in the library are labelled with a PRC sticker.

All information about the challenge can be found on the challenge website at www.premiersreadingchallenge.nsw.edu.au

“The Challenge aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature. It is not a competition but a challenge to each student to read, to read more and to read more widely.”

Please speak to your child’s class teacher, Mrs Dando or myself if you have any questions.

Happy Reading!
