As we commence the seventh week of the school term, I trust everyone was able to enjoy a relaxing long weekend with family and friends. Those of us who spent the time in Leeton were certainly blessed with wonderful weather!

Last week was quite an incredible week for the Parkview community, with some amazing achievements by our children in a range of pursuits. I’ll start this week by lauding our 12 students who auditioned for the 2014 edition of Schools Spectacular under the guidance of Mrs Ondria Miller. Portia Marks, Zoe Locke, Bree McKellar, Molly Donohoe, Emily Jennings, Lilly Davies, Faith Berney, Marni Elliott, Taylah Aliendi, Brooke Schmetzer, Sophie Wozniak and Tayah Preston have achieved something no Parkview student has ever done, being invited to perform as part of the Primary Arena Choir at the 2014 Schools Spectacular. We are incredibly proud of the achievement of the group and look forward to hearing of their adventures when they hit the big time at the Sydney Entertainment Centre later in the year. Interested community members can check out the choir’s audition at http://youtu.be/_y2OKkyBC_A

Also last week Parkview Public School hosted the LNPSSA Athletics Carnival at the LHS Ovals. On a tremendous day, our students acquitted themselves brilliantly against some talented opposition from the district’s schools. A full wrap of the various achievements of our children on the day are available in Talking Sport, however I would like to acknowledge the remarkable performance of Tamika Rourke, who became the first Year 2 student in the 40 plus year history of the LNPSSA to win an age championship. Tamika, competing as an 8 year old, faced peers in Years 3, 4 & 5, producing some outstanding performances to win the 8 Years 100m (missing the record by just 0.06) as well as the Junior Girls (8-10 Years) 200m, Shot Put and Discus! Her efforts highlighted a great day for Parkview with a broad range of students likely to qualify for the Riverina PSSA Athletics Carnival in Albury on June 23.

Last week also saw the 2nd Round of the Premier’s Debating Challenge hosted at Parkview, with the Parkview Sharks and the Parkview Cats squaring off over the topical subject of parents allowing children to access social media. A high quality debate was adjudicated by Mrs Tracey Lourigan from LHS to be won by the Parkview Sharks, giving the team their second consecutive win in the competition a head of a third round encounter with Coolamon Central School. We thank Mrs Lourigan for again giving of her time to support our emerging public speakers, as she has done for many years!

It may be an abbreviated week at Parkview but it is certain to be incredibly busy. Don’t forget the following as you plan your week:

Kinder 2015 Transition
Our 2015 Kindergarten Transition Information Sessions will be hosted tomorrow (Wednesday, 11th June) at 2pm and 7pm in the KF & KB Rooms at school. We are looking forward to seeing all new and continuing families in the school to commence the Kindergarten journey for our newest students.

If you are yet to receive our Kindergarten 2015 Prospectus and Transition Expression Of Interest form you will be able to collect this at the sessions, while vital information linked to children’s learning will be presented by our Kindergarten teachers Miss Boardman and Miss Frazer and Instructional Leader for Literacy and Numeracy Ms Blakeman will also provide some key points linked to student development at Parkview PS.

The highlight of the sessions will be the presentations from our wonderful school captains, while members of this year’s Kindergarten cohort will also be on hand to share their thoughts and memories about their Kindergarten experience!

We have already had an excellent response in terms of expressions of interest linked to transition ahead of the cut off date on June 27 and the commencement of transition on August 13th.
If you or a friend has a child/children who are commencing school or considering commencing school in 2015 we encourage you to return the orange Kindergarten Transition 2015 Expression Of Interest form to the School Administration Office as soon as possible.

Key dates for the commencement of Kindergarten 2015 activities are as follows:
- **Wednesday, 11th June**: Kindergarten 2015 Information Evening
- **Friday, 27th June**: Requested final date for Expressions of Interest for Kindergarten 2015 Transition
- **Wednesday, 13th August**: Commencement of Kindergarten 2015 Transition
- **Wednesday, 10th December**: Kindergarten 2015 Transition Graduation Day

We look forward to welcoming the newest members of our community into our school!

**June P&C Meeting**
A reminder to the community that the June Meeting of the Parkview P&C Association will be held in the Staffroom next Monday evening, 16th June from 7pm. All interested community members are invited to attend.

**P&C Major Raffle and Term 1 Prize**
Late last term the P&C distributed raffle tickets in the P&C's Major Fundraiser for 2014, a car raffle featuring some great prizes including a first prize of a 2014 Suzuki Alto. This is the P&C’s only fundraiser of the 2014 School Year.

Each term there are incentive prizes for students who sell one ticket during the designated incentive prize period. All families who have sold at least one ticket between Friday, 9th May and Thursday, 26th July go into the draw to win some of the following prizes (to be drawn at assembly on Friday, 27th June):

- **1 student K-2 and 1 student 3-6** will win a $60 Uniform Shop Voucher
- **1 student in each class** will win an insulated Canteen Lunch Bag (valued at $15) and a $5 Canteen Lunch Voucher at the Parkview PS Canteen

In addition, all tickets sold go into the draw for the major incentive prize of an iPad, which will be drawn at the P&C Christmas Carnival to be held on Friday, 21st November.

Good luck and thanks in advance for supporting our P&C who are raising funds to assist in the construction of an outdoor learning area at our school.

*Families are reminded that you do not have to return all tickets sold in this incentive period to be eligible for prizes. The aim is for all tickets to be sold by November 21. There will be three further incentive prize periods prior to the drawing of the car.*

**Traffic Safety In and Around the School**
Parents and community members are asked to once again consider pedestrian safety in conjunction with their driving practises when in and around the school area, especially at the peak periods of morning drop off and afternoon pick up.

Some points to consider:
- The clearly signposted no parking signs defining the School Crossings on Park Ave and Lilac Ave must be followed. The safety of pedestrian traffic entering and exiting the school is dependent upon this.
- Double parking to drop students off or hold conversations is a dangerous activity that effects traffic flow and lifts the possibility of accidents and injury, not to mention the frustrations of other drivers.
- The Staff Car Park off Lilac Ave is only accessible to staff on school days, identified disabled vehicles or in the event of a genuine emergency. Teachers in classrooms adjacent to the car park have reported frequent cases of community members driving (quickly) into this area to pick up of drop off children. This is a particularly dangerous activity and we ask community members to avoid this practise. Off street parking is available in the Parkview Tennis Club and also in the Sally Street Grove.

We thank everyone for their cooperation with these issues and remind the community that the police are closely monitoring driving habits in and around our school.
School App Photo of the Week!
A reminder to everyone in the community about the interactive nature of our school app that allows you to capture special moments in your child’s education that you are involved with. This week’s photos come from Brooke Gilmour, who snapped these pictures of her daughter Molly and her relay team (Shaylan Protheroe, Tamika Rourke and Tatum Marks) following their second place at the LNPSSA Athletics Carnival on Friday!

If you would like to see your photos published please send them to us from your smart device via the School App.

This is perfectly normal for any school setting so if you have any questions, issues, enquiries or you want feedback on any aspect of your child’s schooling please ring to make a **mutually convenient appointment time** with your child’s teacher, Assistant Principal or myself.

LNPSSA Athletics Carnival 2014

Last Friday, a team of 50 Parkview students contested events held at the LNPSSA Athletics Carnival. Early events in the program experienced tough weather conditions however this didn’t appear to have an effect on results with Parkview students performing particularly well (Results are included below) A special mention must go to Tamika Rourke (2) who as judged Junior Girls Age Champion! This is an amazing result for Tamika who has continued her impressive form in both track and field events. Tamika was pitted against very accomplished and experienced girls and should savor her achievement for years to come. Keep in mind that Tamika (8) is competing against girls whose ages range from 8-10 years! Another special mention to Portia Marks who finished runner up in 11 Years Girls Age Championship. As this was a Parkview convened carnival, thanks is offered to the hard working parents who assisted both on the track and in the canteen. The carnival ran without a hitch thanks to your skilful assistance.

Premier’s Reading Challenge Update– 2014

Just a reminder that the NSW Premier’s Reading Challenge has begun.

K-2 class teachers will keep a log of books read to the students, which will be uploaded to their individual file at a later date.

3-6 students will be responsible for keeping their own reading log. They have all been issued with a reading log sheet.

Class teachers and Mrs Dando have book lists and many of our titles in the library are labelled with a PRC sticker.

All information about the challenge can be found on the challenge website at www.premiersreadingchallenge.nsw.edu.au

“The Challenge aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature. It is not a competition but a challenge to each student to read, to read more and to read more widely.”

Please speak to your child’s class teacher, Mrs Dando or myself if you have any questions.

Happy Reading!
