Week 3 of the new school term has come around quickly and with it we embrace both Education Week and the commencement of our school’s involvement in the Leeton Eisteddfod.

Last week was a busy one for many students in the Parkview community, none more so than our Bree McKellar, Portia Marks, Taylah Aliendi and Keely Bradshaw who spent much of the week at the Riverina Choral Camp hosted at Borambola. The girls engaged in many activities linked to their vocal skills and enjoyed engaging in extra-curricula activities with like-minded peers from across the Riverina.

This week we celebrate Education Week and invite our community to come into the school during Open Day and share in some of the exciting activities that are planned in classrooms on Thursday. Education Week is one of many opportunities to reflect on the wonderful opportunities afforded to all members of the community courtesy of public education. A feature of Open Day will be a family lunch, during which we will present Education Week Awards. We look forward to seeing a large number of community members present for the event.

This week also features the commencement of our involvement in the Leeton Eisteddfod. Our debating teams will be the first to engage in competition this Friday followed by various performances including verse speaking and choral choirs, dances and band items. We highly value the participation aspect of the Leeton Eisteddfod and encourage all parents and carers to come along and support our children as they take to the stage at various venues including the Roxy Theatre and Madonna Place.

This week is also a big week for our 9 athletes who will compete at the Riverina PSSA Athletics in Albury next Monday. Final preparations will take place for this event throughout the week and competing athletes are encouraged to bring along appropriate clothing to ensure they can make the most of their practise opportunities. No doubt many of our children will be inspired by the actions and attitudes of the Australian athletes representing our country with such distinction at the Glasgow Commonwealth Games.

When events such as the Commonwealth Games are on, it reinforces to us all the virtues of what the world’s athletes are engaging in. The spirit of participation, the striving for excellence, the ethos of sportsmanship as well as the cooperation and camaraderie of people from different nations and beliefs working and competing together in harmony.

There are many lessons and many examples that can be followed from the Games in our school. All elements of our community seek to develop an attitude within our children of striving to be the best they can be. The expectation of participation and the goal of individual excellence is embedded in students everyday learning, as is the need to be understanding of people from different backgrounds and beliefs. I encourage all families to take the time to watch some of the Games with their children and discuss the challenges and triumphs of some of the athletes and how they deal with these emotions and situations.

It is a big week at Parkview PS. Don’t forget to check out our feature page in The Irrigator tomorrow, and consider the following as you plan your week:

**Notes in the last 7 days:**
- Leeton Eisteddfod Permission notes
- Education Week Lunch Order Form
- Years 5-6 Melbourne Excursion Itinerary

**Look for these notes this week:**

LNPSSA Years 3/4 League Gala Day

Last Friday, Stage 2 students attended the LNPSSA Years 3/4 League Gala Day. The day was greeted with beautiful sunny conditions which were appreciated given the amount of fog and frost we have experienced of late. Parkview entered two teams in the contact section who were assisted by Mr. Browne. Thank you to Mr. Browne for offering his experience to Parkview Green! Both teams played a lot of minutes and improved markedly across their games. The experience will prepare the boys for a future taste of team sport. The spirit of the day didn’t require scores being kept as each student was focused on participation and developing networks within their cohort and students from other schools. Remaining Parkview students were split into mixed gender teams and played games of League Tag. The students had a blast! Stage 2 teachers commented on the way in Parkview students played in the spirit of the game and gained much enjoyment out of making tags or scoring tries!

Parkview students behaved in a mature manner and made great choices throughout the day. I trust the Stage 2 students are very much looking forward to the next gala day!

Riverina Athletics Carnival 2014
