Welcome to Week 4 at Parkview Public School. As we commence the new week, it is opportune to reflect upon what was an extremely enjoyable Education Week at Parkview, highlighted by our Open Day hosted last Thursday.

It was tremendous to see so many community members in the school engaging in learning experiences with children in classrooms and the playground. Moving around the rooms, the sight of children and parents engaging in technological pursuits in Stage 3 classrooms, sharing outdoor mathematical problems in Stage 2, enjoying science based pursuits in Stage 1 and celebrating 100 days of learning in Kindergarten was an extremely positive one. Thanks to everyone who took the time to invest in their children’s learning and share some special time at school.

Other than the Open Classrooms, there were many other highlights including the visit from former Swans star Jude Bolton and the presentation of Education Week Awards to deserving community members for their contributions to the Parkview community. We congratulate Jack McClure (Student Award), Mrs Joanne Peacock (Staff Award) and Mrs Julie Axtill (Community Award) on their recognitions in 2014.

This week continues the extremely dynamic term we are experiencing at Parkview Public School. Today 9 athletes from Parkview contested the Riverina PSSA Athletics Championships at Alexandra Park, Albury. This represents our biggest representation at the Regional Carnival for many years. Results from our student’s achievements will be available in Talking Sport next Monday and via our various electronic media streams in the coming days.

Today also saw the continuation of our involvement with Leeton Eisteddfod, with classes 2M, 3T, 3/4H and 4H all engaged in the Verse Speaking section. Results will be shared next week in the newsletter. The Verse Speaking follows on from last Wednesday’s successful debating participation, with our students winning two of their four debates and all students securing individual marks of 82/100 or greater from the adjudicator, wonderful achievements! This week we will also be engaged with the dancing section of the Eisteddfod, with classes 1M and 1W excited to be sharing the stage!

There is much more to consider as we look towards the new week. Please consider the following as you plan your week:

**Shine Update**
All students who are involved with Shine will travel to the LHS MPC tomorrow (Tuesday) to participate in Shine Rehearsals. This day represents Parkview’s only unrestricted opportunity to rehearse on the stage prior to the final full dress rehearsals and the final productions being held in Week 7 of the term. If you are yet to return your child’s permission note for this event you are asked to so prior to departure tomorrow at 9.20am

In addition, community members are reminded that Shine tickets are on sale at the school’s Administrative Office now for all three performances on August 27 and August 28. Tickets are selling fast, so we encourage community members wishing to attend to secure their tickets quickly!

**Kinder 2015 Transition Commencement**
The commencement of the Kindergarten 2015 Transition process is just 9 sleeps away! We have had an excellent response to registrations for the new school year and look forward to welcoming over 45 new students for transition next Wednesday. Parents and carers who have questions relating to the process can contact the school anytime for clarification of activities and schedules.

A reminder for all parents that the complimentary bus service will commence next week and will follow the schedule as distributed by mail recently. In addition, the popular Transition T-Shirts are also still available through the school’s Administration Office should parents require one for their child.

Parents should feel welcome to accompany their children into the room for the opening day of transition and join in the initial activities whilst the children settle into their new environment!

**Winhangara Playgroup**
Winhangara Playgroup continues tomorrow! Winhangara Playgroup is hosted in the OOSC Building running on Tuesday mornings from 9.15am-10.45am. A complimentary healthy morning tea is provided for all participants. We encourage all interested families to attend.
School Banking
School Banking continues tomorrow. Please send in your child’s banking to be included with their class bag and help enhance your child’s financial literacy!

Uniform Shop
The Uniform Shop opening times are Thursday 9am-10am and Friday 2.15pm-3.15pm. If you require access to the Uniform Shop outside of these times please contact the school to organise a mutually convenient time to access your uniform needs.

School App Photos Of The Week
It has been great to receive a range of photos in the last 7 days that have been sent to the school via the ‘Photo Feature’ on the Parkview Public School App.

Each week we publish some of the best photos shared with us from the community. This week we have two photos, one showing Year 2 student Adelaide Heins assisting with P&C fundraising at the Yanco Markets, making fairy floss for market goers, while the second pic depicts Year 3 student Molly Gilmour soaring during Thursday’s Education Week Open Day!

If you have a photo on your smart device that you would like to see published in the newsletter, please share it through the School App and we will do our best to publish it in the newsletter!

A reminder that you can utilize the School App for a range purposes including:
- accessing canteen and uniform pricing
- updated newsletters
- sending in absence notes
- interview requests
- push notifications sharing important school messages
- change of routine notifications

**BRING PLENTY OF FOOD AND DRINK**
Thank you to all the parents, caregivers and wider community that attended our school Open Day last Thursday. Kindergarten then concluded the week with a ‘100 Days of School’ party and we extend a big thank you to parents and caregivers for supplying the food. We must also give a big thank you to all the Kindergarten children for all their effort at home and at school in their first 100 days at school.
