Notes that you can expect to see this week:
- Stage 3 Excursion reminder

Notes in the last 7 days:
- Shine Permission notes (involved students K-6)
- Discovery Learning payment reminder (K-2)
- Leeton Eisteddfod Permission notes
- Stage 3 Excursion Final Itinerary

The middle of the school term is quickly approaching and with it comes a massive range of learning experiences for our students in all areas of the school. We really are blessed to engage in a community where our children have such varied opportunities and our parents and carers are so dedicated to engaging with the experiences provided by our staff members.

At this busy time of the year it is timely to acknowledge some of our most valuable members of the community who make the learning experiences of our children possible. Firstly I would like to thank all of the volunteer parents who make such valuable contributions to our community. We are lucky to have so many day to day contributors to the school by way of classroom assistance. On top of this we have many parents and carers who manipulate their busy work schedules to assist with transport to extra-curricula academic, sporting and cultural events which continue to provide amazingly unique opportunities and experiences for our children.

The next layer of individuals that must be acknowledged is our dedicated SASS and SLSO staff who play a vital administrative and support role within the school. Our SASS staff continuously provide important support for the organisation of events and provide caring support for our students who require time in the sick bay. At the same time, our SLSO staff play an invaluable role in the classroom to assist teachers in delivering meaningful and targeted learning experiences for individual students. In so many ways both our SASS and SLSO staff are the unsung heroes of our learning environment, but make no mistake, our children’s learning experiences would not be what they are without them!

Finally, and equally important are the wonderfully skillful, dedicated and passionate teaching practitioners who ply their craft in the Parkview environment. We are very lucky to have such motivated and driven practitioners willing to instigate such varied opportunities! The total sum of all the parts of our community equals what I believe is the best possible learning and growing environment for our children. Thanks to everyone who continuously gives to ensure our children benefit. The fruits of our community harmony are clearly outlined below:

Last week was one of great pride for our community, not just because of the high levels of achievement by our students, but specifically because of the number of students who were provided opportunities to experience unique opportunities. I speak in particular of the Riverina PSSA Athletics Carnival and the Leeton Eisteddfod where our students produced some remarkable performances.

11 Parkview students made the long trek to Albury for the Riverina PSSA Athletics Carnival last Monday. Whilst Mr Collins has a detailed report of the children’s achievements in ‘Talking Sport’, I would like to congratulate all the children on being fine ambassadors for our school and acknowledge Tamika Rourke, who is our latest Riverina Champion, burning up the track in the 8 Years Girls 100m, stopping the clock at 16.35 (the fastest time by a Parkview 8 year old in history) on the way to winning her event and qualifying for the NSWPSSA Carnival to be held at the Sydney International Athletics Centre at Homebush Bay in October.

Whilst our athletes were strutting their stuff on the track in Albury, closer to home, our well prepared Verse Speakers were performing on the stage at the Roxy Theatre in the Leeton Eisteddfod. It was a huge day for Parkview with over 120 students on stage. Our 2M students received a High Commendation for their recitals in the K-2 Section which was a tremendous effort, before our combined Stage 2 Verse Speaking Choir wowed the adjudicators to be crowned Verse Speaking Champions, the third time in 7 years Parkview has been honoured with such an accolade! The successful performance was made up from all the students in 3T, 3/4H and 4H. All children should be proud of themselves for taking the risk to get on stage and have a go.

The conclusion to our big day at the Leeton Eisteddfod came when 3 Parkview students were
acknowledged for their excellence in the short story section of the Eisteddfod. Jai Patten was crowned champion while Lewis Cain-McAliece received second prize and Nick Santos was named the third best entrant in a clean sweep for Parkview! Well done to all of the children who entered!

Our Eisteddfod week just got bigger on Wednesday when our Stage 1 Dance Group hit the stage dressed as Minions performing to the song ‘Happy’. All 45 students from 1M and 1W combined to produce a memorable dance and take out second place in their section! It certainly was great to see so many young Parkview students on stage and enjoying themselves!

We have so far been involved with three days of the Leeton Eisteddfod and had tremendous support from parents and carers, for which we are extremely grateful. More Leeton Eisteddfod fun continues this week with our Primary and Infants Choirs performing tomorrow! We wish all of our participants the best of luck.

The new week at Parkview is jam packed with excitement! Below are some thoughts as we hit Week 5 of the new term

Kinder 2015 Transition Commencement
Kindergarten 2015 Transition commences this Wednesday, 13th August!! We look forward to welcoming over 45 new students for transition this Wednesday. As always, our complimentary bus service will operate and will follow the schedule as distributed by mail recently. In addition, the popular Transition T-Shirts are also still available through the school’s Administration Office should parents require one for their child.

Parents should feel welcome to accompany their children into the room for the opening day of transition and join in the initial activities whilst the children settle into their new environment! Transition commences at 11.45am in the KB and KF Rooms and concludes at 1.25pm. Parents dropping their children to school for transition should sign their children in and out of school in the Kinder Rooms. Folders will be located at the entrance to the rooms.

Please contact the school should you have any queries. If you know of anyone yet to register their children for transition, it is not too late. Please encourage them to contact the school’s office to complete the registration process.

‘Shine On Broadway’ Update
Our students completed an excellent familiarization day with the stage at the LHSMPC last Tuesday! The performances are really coming along and are sure to form part of an awesome show on August 27 & 28.

This week the kids will continue to polish their performances and also spend much of their lunchtimes rehearsing for the Grand Finale of the production! It is going to be quite a show, and we encourage all members to get their tickets and enjoy what will be a phenomenal night of entertainment from the students in our town’s public schools.

Shine tickets are on sale at the school’s Administrative Office now for all three performances on August 27 and August 28. Tickets are $10 per adult, $5 concession and $20 for a family of two adults and unlimited supervised children. Ticket sales at our school will close this Friday. After that point, tickets will only be available at the Leeton Trophy and Gift Centre and the LHS Administration Office.

Tirkandi-Inaburra Cultural Learning Visits
Commencing this week, students will benefit from visits by students and staff from Tirkandi-Inaburra. Led by Tirkandi employee and Parkview community member Joey Longford, our students will engage in meaningful learning linked in particular to Wiradjuri art and music. We thank Joey for his support and enthusiasm for this project.

Stage 3 Victorian Excursion
Students in Years 5 & 6 are eagerly awaiting the departure of their major excursion to Victoria which leaves early on Sunday morning from the school.

The excursion is a carefully constructed learning experience for the children and will feature, among other things, a focus upon Science, HSIE, CAPA and PD/H/PE. The students will be guests of the AFL and the GWS Giants on Sunday at the MCG, before enjoying two further days in the Victorian capital engaging in the experiences at the Zoo, Museum, Aquarium, Sciencworks, a Yarra River cruise, cultural experiences in Lygon Street and on South Bank before heading to Ballarat to embrace the historical significance of the Gold Rush and Eureka Stockade at Sovereign Hill.

To keep up with all the colour and excitement of the excursion, be sure to follow our school’s Facebook page where regular updates will be available.
Up Coming Events
A quick reminder to everyone of two big community events that will be hosted in the next 3 weeks. Our Book Week Character Parade will be hosted on Tuesday, 2nd September. As is tradition, students will march in their class groups to proudly display their favourite book characters. More details will be forwarded to the community closer to the event but we encourage all family members to come along and share a wonderful day!

Soon after the Book Week Character Parade, our annual Father's Day Stall and Lunch will be held. This year it will be conducted on Thursday, 4th September. All Dad's, male role models and family members in general are encouraged to come to the school to share lunch with the kids on this day. More details will be distributed in the near future regarding this event.

Winhangara Playgroup
Winhangara Playgroup continues tomorrow! Winhangara Playgroup is hosted in the OOSC Building running on Tuesday mornings from 9.15am-10.45am. A complimentary healthy morning tea is provided for all participants. We encourage all interested families to attend.

- Tamika now qualifies for representation at the NSWPSA Athletics Carnival held at the Sydney International Athletic Field in October. Tamika’s time of 16.35 eclipsed her qualifying time (17.10) and also would break the 9 Years Girls 100m record currently in place at Parkview!
- Portia Marks ran an excellent 800m to sit just outside the first 3 automatic qualifiers.
- Kelsey Bandy ran over 13 seconds faster (3.01.74) than her qualifying time. Her time was also a personal best!
- Both relay teams improved upon their qualifying times significantly! The Junior Girls (who qualified as the 2nd fastest competitor from LNPSSA) reversed the result from the recent LNPSSA carnival by finishing as the 1st ranked team from our zone!
