Welcome to what promises to be an extremely busy and exciting term at Parkview Public School. We have 52 school days this term and we have a huge range of activities to share with all community members throughout that time. This includes excursions, Schools Spectacular, visiting performances, graduation ceremonies, Presentation Night and much, much more!

Before we examine what confronts us in the opening weeks of the term, it is timely to reflect upon what was a significant final week of Term 3. The week was highlighted by the holding of the second annual Ian Lucas Memorial Public Speaking Competition. The standard of the competition was amazing and left the large audiences entertained and the judges under pressure after some of the most wonderful presentations imaginable.

After much deliberation, the judges settled on the following very worthy winners:

Stage 1: Daniella Draper and Sharna Morriss
Stage 2: Hayden Gilmour
Stage 3: Katelyn Mills

Congratulations is extended to all students who took a risk and participated in this competition and well done to those who were chosen as finalists from their classes and also of course to the winners. Each successful student will be presented with their trophy at Presentation Night in December.

The final week of the term was also memorable for the for a range of reasons including a wonderful K-6 Reward Day enjoyed at The Roxy Theatre watching and listening and dancing to the Kapooka Army Band. Well done to all students who earned the right attend this event.

Thanks is extended to everyone who supported our fundraising events in the final week of the term also. Our SRC raised over $550 for Cancer Research through their Footy Colours and Cup Cakes for a Cause Day, while our Schools Spectacular Disco hosted in the Hall on the final Thursday of the term was also a huge success.

Finally this week, on behalf of our community I’d like to acknowledge the generous donation made by Milbrae Quarries to our Cherry Ave Garden Area and thank Wayne Laycock and Joey Longford for their effort and organisation to have the significant rock that now resides in the garden delivered to the school. The rock is set to become a significant feature of the garden and we are grateful for the effort and time provided to our school to arrange this.

Week 1 of a massive term has three days left to run. Please consider the following as we prepare for the coming weeks:

Summer Uniform Time!
With the commencement of Term 4 and the warmer weather now with us, students are requested to wear summer uniform at school. The Uniform Shop will be open as usual on Thursdays (9am-10am) and Fridays (2.10pm-3.10pm) for any families who have uniform needs. If these times do not suit you, please contact the Uniform Shop to make an alternative appointment time.

LCOPS Chess Competition
Parkview will host the LCOPS Chess Competition next Tuesday, 13th October in the School Hall. This is the third straight year Parkview has hosted the tournament with Year 6 student Christian MacGregor the defending champion. We wish all students all the best for this event.

Excursions
A reminder to all parents that we are only 3 weeks away from the hosting of our annual excursions. Stage 3 students will head to Canberra from October 28-30; Stage 2 students will head to Dubbo from October 28-29 and our Infants students will enjoy a one day excursion to Wagga on one of the school days between October 28-30. Payments for these excursions are due soon, with any families having difficulty meeting payment deadlines encouraged to contact the school as soon as possible to discuss options.

Grandparents Day
The extremely popular Grandparents Day will return to Parkview on Monday, 26th October. As was the case last year, we invite all grandparents to share in morning tea and some open classrooms with our students on the day. More details linked to Grandparents Day activities will feature next week in the newsletter.
School Photos
A reminder that our annual school photos will be held on Tuesday, 3rd November. Official ordering envelopes from Master School Portraits will be sent home in the coming days. These envelopes include information linked to on-line ordering and cash payment options as well.

All students will be required to wear full Summer School Uniform for the photos.

New Gardens
Thanks to the hard work of a number of students and community members, a number of new native gardens are taking hold around the school. These gardens are very much in the developmental stage and as such require much care to ensure they are established. We ask community members to take particular care when moving around these gardens located near the shade sails out the front of the Year 1 Rooms as well as new plantation that have been made around the water tank area at the rear of the library.

Winhangara Playgroup
Winhangara Playgroup is this term being held in the School Hall and Central Park on Thursdays from 9.45am-11.15am. A fresh, healthy morning tea is provided while your children engage in play based learning aimed at children 0-5 Years.

We encourage new and continuing members of the group to come and join us for the morning. We’d love to see you there!

School Banking
School Banking continues this week for all students. Students from K-6 are encouraged to engage in this wonderful financial literacy program. Bank Books, as always, should be sent into school on Tuesdays (tomorrow).

Brian Tabe Shield Riverina Cricket Quarter Finals
Parkview PS has been eliminated at the Riverina Quarter Finals stage of the NSWPSSA Cricket Knockout following an exciting match against Hanwood Public School in the last week of Term 3.

Winning the toss and batting, Tyler O’Connell and Corey Axtill opened the batting for Parkview and saw off some well directed opening bowling before O’Connell lost his wicket. Riley Bradshaw joined Axtill at the crease with the pair adding 13 for the second wicket before a brilliant delivery removed Axtill. Parkview then lost a series of quick wickets and were soon staring down the barrel of a innings collapse at 5/25.

At that point Thomas Heins was joined by late addition to the team Josh Martin, the pair guiding the team to 5/31 at drinks before continuing their enterprising rear-guard action. The patient pair added 25 for the 6th wicket before Martin was caught. Heins continued his long vigil at the crease, holding the Parkview innings together and with the help of some lusty hitting from Lachlan Holden at the end of the innings Parkview registered a competitive 7/63 from their allotted 25 overs.

In reply, the talented Hanwood batting line up offered a couple of sharp chances early that were not taken and then proceeded to mow down the Parkview target for the loss of just two wickets inside 13 overs. The highlight in the field for Parkview was a brilliant direct hit run out effected by Tyler O’Connell. Corey Axtill was economical conceding just 6 runs from his 3 overs, whilst Riley Bradshaw underlined his cricketing potential collecting 1/8 from his 3 overs.

All players represented their school with distinction on the day and can be justifiably proud of their achievements. A huge thanks is extended to all the parents and community members who made it down to the LHS Ovals to support the children on the day.

SCORECARD: Parkview PS v Hanwood PS (Parkview won the toss and elected to bat)
